

Permission to Use Photos

I have developed a Website at www.photosbydotty.yolasite.com and I would like permission to add your photos to this site.

I can either make it public for all who visit my site to see, or I can make it password protected so only those who are seriously interested in booking my services can view on request. No names will be used in any advertising material.

I/we

I **do/do not** give Dorothy Hazell of Photos by Dotty Permission to reproduce photos she has taken of me/us for the purpose of developing her web advertising. The web address will be made public to potential clients of Photos by Dotty.

Yes/NO Photos by Dotty can make my photos public on the www.photosbydotty.yolasite.com website.

I would prefer Photos by Dotty to make my photos only available by password request.

I am/we are aware that my/our name/s will not be used in any of the presentations.
